3	09/07/2023 11:08 AM ID: 221929307	Would use more often if park was kept tidy!
4	12/07/2023 15:43 PM ID: 222164669	Quite a lot of the play equipment is usually covered in excrement from the wood pigeons so is often unusable.

Other (please specify): (31)

1	24/06/2023 20:12 PM ID: 221016735	Repair football net. More regular mowing- football pitch is not very useable.
2	24/06/2023 20:14 PM ID: 221016364	Make wildlife area with pathway, ensuring disabled access and use, with benches and/or picnic tables so the area can be enjoyed. Villages could place bench in memorium.
3	24/06/2023 20:32 PM ID: 221017150	Improved maintenance - we don't visit more often as there isn't enough to engage the kids and it is often overgrown with lots of nettles etc or mole holes

4. Are there any changes you would like to see in the park? (Tick all that apply).

4	24/06/2023 22:48 PM ID: 221019312	Better up-keep. We would use this a lot more if it was better looked after. Often the grass is really overgrown and the play equipment is dirty.
5	24/06/2023 22:52 PM ID: 221019391	Renovate the basketball hoop. It's unusable. You just need 20 feet of concrete alongside it so you can actually have a game of basketball there.
6	24/06/2023 23:07 PM ID: 221019569	Area for dogs
7	25/06/2023 00:18 AM ID: 221020224	Dog area would be good
8	25/06/2023 03:53 AM ID: 221020884	More benches for older residents to enjoy. There are already allotments for villagers but they are not used frequently.
9	25/06/2023 09:27 AM ID: 221024103	Outdoor gym
10	25/06/2023 10:14 AM ID: 221025042	Dog park
11	25/06/2023 10:32 AM ID: 221025454	Grass cut regularly, it's now 3ft high !!!
12	25/06/2023 16:05 PM ID: 221033461	Exercise facilities
13	25/06/2023 17:44 PM ID: 221035297	Better play equipment, ideally located more centrally so that it is not so close to the motorway. We would use the park much more if the equipment was in better condition. Swings need updating
14	26/06/2023 21:20 PM ID: 221116332	A safe cycle environment for children, along with slides and upgraded play equipment.
15	27/06/2023 18:46 PM ID: 221199184	Re-zone play equipment away from trees which causes bird droppings to soil the swings etc.
16	27/06/2023 19:42 PM ID: 221204824	Bike track path, move park from motorway. Child oriented space.
17	28/06/2023 11:24 AM ID: 221241414	Area where dogs are allowed. When I went with our puppy we had to turn back as currently dogs aren't allowed.
18	01/07/2023 15:30 PM ID: 221447268	As an alternative to the above, offer the sale of the land to the 3 properties backing onto the site, but not to include the bottom end of the site where the children's facilities are provided. This would surely make it easier for those with children to maintain more easily.
19	02/07/2023 09:31 AM ID: 221466031	Path to the play area. When it's wet it's a long walk from the entrance to the play area through inevitably long grass which makes for messy wet feet. Park is somewhere we do not go unless it's been dry a day or two previously.
20	02/07/2023 10:55 AM ID: 221468151	I suggest a trial period of 3 months allowing responsible dog owners to exercise their dogs on the park provided that they clean up after them. Signs and a bin should be erected to that effect. This will almost certainly increase the popularity of the park.
21	03/07/2023 11:27 AM ID: 221512327	Allotments and dog walk loop.
22	03/07/2023 11:30 AM ID: 221512614	Tennis court and bowling green.

4. Are there any changes you would like to see in the park? (Tick all that apply).

23	03/07/2023 17:02 PM ID: 221550382	Wildlife area with more trees.
24	04/07/2023 08:23 AM ID: 221574935	Move and renovate the existing play area . At present the equipment suffers from droppings from birds and trees. The area needs to be moved from under the trees.
25	04/07/2023 14:20 PM ID: 221615885	An effective management plan in place .
26	04/07/2023 20:23 PM ID: 221656724	I would like to see regular cleaning and maintenance of the play equipment so it is usable. Also regular mowing instead of the current 'wild meadow path'.
27	04/07/2023 21:12 PM ID: 221660584	Have a dog walk around the perimeter with poop bins
28	07/07/2023 12:28 PM ID: 221852684	Introduce a proper path around the park to make it accessible for older people, pushchairs and wheelchairs. The ground is uneven and hard going to walk on, you could easily sprain an ankle. I don't accompany my grandkids anymore because of this.
29	09/07/2023 11:08 AM ID: 221929307	Tidy
30	09/07/2023 12:31 PM ID: 221931252	Community orchard. Allotments would be a positive amenity for all age groups but they're only viable if a water supply is available (we're in a drought area). All or some of the site otherwise should be supportive of wildlife - which is also an amenity and would balance the rough grass lost to recent development.
31	16/07/2023 09:46 AM ID: 222459875	Needs better maintenance and maybe some more equipment to entice the kids. Some wildflower areas would be nice too

5. Would you be willing to help maintain and clean the park and/or equipment?

Answer Choices			Response Percent	Response Total
1	Yes occasionally		40.91%	27
2	Yes regularly		4.55%	3
3	No		30.30%	20
4	Other (please specify):		24.24%	16

Other (please specify): (16)				
1	24/06/2023 20:14 PM ID: 221016364	If it was a wildlife area with benches etc, we would help rsgularly		
2	24/06/2023 22:52 PM ID: 221019391	Yes if it involves the basketball hoop being made into something that would allow a game or a practice.		
3	25/06/2023 03:53 AM ID: 221020884	Yes if wildlife area but not if to remain as play park. Could not manage heavy tasks.surely if to remain as play park then family of children using it should be prepared to maintain it.		

5. Would you be willing to help maintain and clean the park and/or equipment?

4	25/06/2023 10:14 AM ID: 221025042	If not a play park any more
5	25/06/2023 12:26 PM ID: 221028130	Will keep our hawthorn hedge trimmed, as usual - for the last 20 years!
6	25/06/2023 16:05 PM ID: 221033461	If equipment I used was there then yes.
7	26/06/2023 20:06 PM ID: 221111881	If not a play park
8	29/06/2023 19:42 PM ID: 221347664	Yes - we cleaned the moss off in spring/summer 2021 and would help again if other commitments allowed.
9	02/07/2023 09:31 AM ID: 221466031	Yes however management and maintenance of the area should be planned. Historically money is spend installing equipment with no long term plan on how it's will be maintained or funding in place to manage assets.
10	03/07/2023 17:02 PM ID: 221550382	Too elderly.
11	04/07/2023 14:32 PM ID: 221618640	I'll try to clean up when I come
12	04/07/2023 20:14 PM ID: 221656425	The play equipment and surfaces should be cleaned at least 4 times a year.
13	04/07/2023 20:23 PM ID: 221656724	This is too ambiguous to answer. We have regularly cleaned the equipment but a rota should be properly organised.
14	07/07/2023 12:28 PM ID: 221852684	Not physically able now but in the past have cleaned the swings and slides when the grandkids visited.
15	07/07/2023 22:22 PM ID: 221889367	I'm not aware of how it is maintained & looked after currently
16	12/07/2023 15:43 PM ID: 222164669	Health and mobility issues mean I would be unable to help with this.

6. Would you be willing to contribute financially to the park and other amenities?

2	Yes regularly		3.03% 2
3	No		46.97% 31

6. Would you be willing to contribute financially to the park and other amenities?

1	24/06/2023 22:48 PM ID: 221019312	Yes I would take part in a fundraiser
2	24/06/2023 22:52 PM ID: 221019391	Yes if it involves the basketball hoop being made into something that would allow a game or a practice.
3	25/06/2023 03:53 AM ID: 221020884	Depends on what it is used as.
4	25/06/2023 09:27 AM ID: 221024103	Via Council tax
5	25/06/2023 10:14 AM ID: 221025042	If not a play park any more
6	25/06/2023 16:05 PM ID: 221033461	If equipment I used was there then yes.
7	26/06/2023 20:06 PM ID: 221111881	If not a play park
8	27/06/2023 18:46 PM ID: 221199184	Maybe as a one off.
9	28/06/2023 11:24 AM ID: 221241414	More than happy to help and contribute to fund raising events.
10	03/07/2023 11:27 AM ID: 221512327	A village asset so raise some money by putting up the precept.
11	04/07/2023 14:20 PM ID: 221615885	I think funding for maintenance/ development of the Play Park should come from the Parish Precept or Section 106 monies (if this is still available or its current equivalent). I would be prepared to support ad hoc fund raising events for the benefit of the play park.
12	04/07/2023 20:14 PM ID: 221656425	By increasing the precept.
13	04/07/2023 20:23 PM ID: 221656724	The precept should be increased to cover upkeep and development of village amenities such as this.
14	05/07/2023 17:39 PM ID: 221734775	If it was designed with the disabled in mind So smooth access benches and shelter
15	07/07/2023 22:22 PM ID: 221889367	Would need more information regarding the wildlife area?
16	09/07/2023 12:21 PM ID: 221931142	Through increase in Parish Precept.
17	09/07/2023 12:31 PM ID: 221931252	Possibly - to amenities supporting wildlife, not for maintenance of play equipment.
18	12/07/2023 15:43 PM ID: 222164669	It would depend how much given the rising costs associated with all households costs. It also would depend on what the money was being used for.
